## True leadership

---

---

From Christ’s perspective, a true leader is a servant, committed to the success of each individual in the group. Jesus did not criticize his disciples’ desire to lead; he just showed them how to do it by washing their feet. (John 13:1-7) ... The essence of spiritual leadership, therefore, is following Jesus and serving people.

People rebel against controlling leaders, but it is impossible to rebel against a servant.

## Smile!

Smile at each other, smile at your wife, smile at your husband, smile at each other – it doesn’t matter who it is – and that will help you to grow up in greater love for each other.

—Mother Teresa
