Announcements

1. Thank you to all who submitted a name of nomination for the Elder role. Nevin Glick was the only person to receive the required five or more nominations. He is willing serve another term. We thank Nevin for his willingness to serve, and God for His leading in this process. -Search Committee
2. It's been five years since we needed to do **background clearances** (certifications). If you are volunteering for the nursery or any Sunday school classes up to and including youth, you may need to recertify, depending on when you originally got your certification. Persons working in any way with children at Lauvers need to have copies here on file in the office. Certifications are good for 60 months. If you do not have a copy of your certification and are not sure when you need to recertify, check with Gladys.
3. The July OneCry prayer calendar is in the foyer. Pick up a copy and help to pray for the Shaking, Filling, Boldness, Unity, and Power of a Spirit-Filled Church.

*****Greetings from Rosedale International! *****

God's work in Taste of Missions can be celebrated in our communities this summer since we cannot meet for Multiply Conference and give financially in that setting. **Rosedale International invites YOU to host a celebration, inviting friends, extended family—whomever you choose and as many as you choose—to join you at home.** (Please follow local guidelines for group size and protocols.) You can focus your celebration on one individual or family serving with RI, and invite guests to join in financially supporting them. **With a generous donation received for this event, we will match up to \$500 the amount you raise for support of a particular long term worker.**

Your part: *Provide the home/setting for your celebration. *Invite and host your guests. *(Optional) Choose one of our workers you'd like your group to focus on and support financially. *Provide food, or make it a potluck. *Arrange to show the video we provide.

We'll provide a starter kit: *Food suggestions, recipes, and even some ingredients, for international flavor. *Activities your group can do together to have some fun around missions. *Offering envelopes and giving details. *Information on streaming the video (DVD available by request.) **To register as host and/or get more information on this event, visit our website: <https://rosedaleinternational.org/one/>**
